

Benefits of SHIELD

- Designated Sheriff's Office personnel to serve as liaisons with program partners.
- Provide SHIELD partners with notices about our community and crime trends.
- Informative meetings to ensure updated information and training opportunities.
- Provide materials and other resources to educate our SHIELD partners on areas of public safety and security

Louisa County Sheriff's Office

SHIELD

***Connecting
Communities Across
The Globe***

**"The Better We Are Together,
the Safer we are as a
Community" – Sheriff Lowe**

What We Ask

The LCSO SHIELD program is a two-way street. The key to success is for information to flow between two directions. Reporting suspicious behavior as soon as possible helps to get the fight against crime faster.

Getting Started

The process for connecting with LCSO SHIELD program is an easy one. Follow the steps below to begin:

1. Go onto the Louisa County Sheriff's Office website, from there you will select SHIELD and follow the link application.
2. Select a coordinator for your group or organization.
3. Participate in a SHIELD training session.
4. Working with the Louisa Sheriff's Office, develops mechanisms for sharing information.

Still have questions? No problem! We are here to help. Call the Sheriff's Office today at (540) 967-1234 and ask to speak with a SHIELD Representative.

What We Do

Increase your awareness of crime activity through partnership and information sharing process.

Louisa County SHIELD keeps its partners informed of upcoming events, new intelligence and crime information developing, data and stats of the crime within Louisa County as well as identified events abroad.

Information is researched and transmitted directly to our partners of SHIELD by one of the following methods:

- Presentations and Briefings
- Security Assessments
- E-mail alert messages
- Text alert messages
- SHIELD conferences
- Activity postings

Introduction

The Louisa County Sheriff's Office has been an area of events and the SHIELD program serves as a platform to highlight community partnerships. Community policing is the best policing.

SHIELD Facts

SHIELD was created in partnership with NYPD SHIELD and reaches beyond the borders of Louisa County to keep our community partners informed.

SHIELD increases the effectiveness of the Sheriff's Office crime prevention and terrorism efforts through community partnerships and information sharing.

SHIELD provides our community organizations with information on emerging crime trends, community events and evolving terrorist threats that may impact Louisa County.
